

PS820 20W 100V Pendant Ball Speaker

PS820 is the right choice for installations at high ceiling areas without columns, such as warehouses, hypermarkets and large showrooms that require even sound distributions. It is built with 8" speaker of 20W 100V rating, delivering powerful and evenly projected sound with 360° dispersion.

- **Omni** coverage
- **Safety cable** included
- **5 / 10 / 20W 100V** power taps
- **8" driver** with 20W 100V ratings

SG320 20W 100V Outdoor Garden Speaker

SG320 is the preferred choice for outdoor ground speaker installations such as parks, pool sides, etc., providing excellent music for listening pleasure. With its green outlook, it blends perfectly to the shrubs, or hidden by leaves or grass. Thereby, its the right candidate to hide the sound source unlike the bulky speakers suspended at poles which may affect the aesthetic value of the environment.

- **20W 100V** powerful speaker
- **360° sound dispersion** for evenly distributed
- Built for all environment with **robust enclosure**
- **Dual purpose speaker** for outdoor music and paging

Technical Specifications

	PS820	SG320
